

FALL 2020

ST. ALBERT'S VOLUNTEER PROGRAM

"Caritas in Actio" "Charity in Action"

Dear St. Albert the Great Families,

Our community is strengthened by the dedication of all of our parents, students, teachers, staff, and community members. Because of this, our students know that they are supported, encouraged, and loved in all of their learning. This witness of unity inspires our students to grow in their desire to give in return in their own ways.

The mission of St. Albert the Great Academy is fulfilled by volunteers who give their time, talent, and treasure in so many ways. We are all so busy, yet we all have something to give. When we work together, the burden is light and our children reap the benefits. We have listed here some volunteer opportunities for you to prayerfully consider. Don't hesitate to call Mary Ligowski or Ann Fallon with any questions or suggestions.

To sign up to volunteer please follow these steps:

- 1. Fulfill the Diocesan requirement for an online course titled 'Creating a Safe Environment'**
- 2. Fill out paperwork titled 'Diocese Disclosure and Authorization for Volunteers'**
- 3. Fill out the Google Form indicating your areas of interest**

These 3 things can be found in the Parent Google Drive in the Volunteer Program Folder. If you do not already have access to this drive, please send an email to info@stalbertacademy.org to request access.

Once we have received all necessary paperwork you will be contacted to begin volunteering!

Please keep in mind that with any school activity it is required that everyone follow the health and safety protocol guidelines as stated in our comprehensive plan.
